APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Four (4.0) cubic feet per second.

Actual construction work shall begin on or before May 30, 1916.

Proof of commencement of work shall be filed before June 30, 1916.

Work must be prosecuted with reasonable diligence and be completed on or before July 30, 1916.

Application of water to beneficial use shall be made on or before August 30, 1922. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 30, 1922.

Proof of labor filed MAR 12 1917 WITNESS MY HAND AND SEAL this 30th day of December, 1915.

Map filed AUG 18 1917

Proof of beneficial use filed AUG 23 1917

Canceled NOV 12 1969 failure to submit state engineer certificate
